Dear Primate Manoogian:

Enclosed is an appraisal of Dr. Sutherland's violins. I would appreciate if you would send him the original copy of the appraisal and if you wish keep for your files the duplicate.

You can probably write him a letter something like this---

Dear Dr. Sutherland:

The ten violins which you have given to our diocese as a gift have been appraised by a reputable violin dealer for \$ 4850.00. We are sending you a copy of the appraisal for your records. Thanking you again.

-----

If you would be kind enough to mention to him in a separate letter about his rare manuscripts, I know he will send them to you to look over and appraise, and if the appraisal value is high enough he will donate these also to our Diocese and when I go to Yerevan July 5 th I can take them along also.

Believe me to be yours  
sincerely  
Hrach Kazarian
