Mr. Hagop Barsamian
245 Fifth Avenue
New York, N. Y.

Dear Mr. Barsamian:

We wish to thank you for your letter of Sept. 10th enclosing your check in the amount of \$1000 towards your \$5000 pledge made in 1968.

In order to be able to give you due credit on this check, we would like to clarify a point which is not very clear to us. According to our records, we have two pledges each of \$5000. One was made at the Waldorf Astoria in New York under the name of Mr. and Mrs. Hagop Barsamian of 166 Whistler Road, Manhasset, L.I., N.Y., and the second under Hagop Barsamian, C/O Armenian Nursing Home, Inc., 431 Pond Street, Jamaica Plains, Mass. 02130. This pledge was made at the Statler-Hilton Hotel Catholicos Dinner, in Boston.

We will appreciate receiving a clarification from you on these two pledge and also your indication on which one you wish the above \$1000 to be credited.

As to the acknowledgment by the Catholicos, of donations made at the Waldorf Banquet, I presume the Diocese has prepared a list of all donors present at said Banquet. As soon as Abp. Torkom Manoogian comes back from his trip abroad, I will talk to him and if necessary I will write personally to the Catholicos reminding Him of his promise.

Thank you once again for your generosity and with best wishes, I remain,

Sincerely,

Haik Kavookjian
