Dear Mr. Manoogian:

Just now I received a Diocesan check in the amount of \$3,612.50 together with a letter from his Grace Abp. Manoogian stating that this is a gift from you.

As the last balance of your Catholicos Dinner pledge is exactly the same amount, we credited the said check towards that balance and are pleased to inform you that your generous pledge of \$145,000 pledge is now completed.

I personally wish to take this opportunity to thank you for all your generous contributions towards our Cathedral and wish you and yours a Very Happy, Prosperous and most of all Healthy year of 1971.

With warmest regards, I am,

Sincerely,

Haik Kavookjian
