Attention: H. Kavookjian

Dear Mr. Kavookjian:

While Mr. D. Dadourian was in California, we had the pleasure of enjoying his Company and also the opportunity to play cards and backgammon together with his cousins John and Jack Dadourian's.

Result was that sixteen dollars was accumulated from winnings, which we are sending to you to apply to your Cathedral Fund.

Sincerely yours,

A handwritten signature in green ink that reads "V. Kebabjian".
