Dear Lud:

After reading the write up in Monday's Dispatch about the new Vartan Cathedral's festivities, and the beautiful painting you made, it inspired me to offer a contribution to such a worth while instition.

It is hard now-a-days to read about the interest and togetherness some ethnic groups have, and how they strive in effort and support to maintain the traditions of their beliefs and achievements as one. It really made me feel good to see everyone getting involved as one.

Please except my check as a donation in your honor.

Sincerely,

A handwritten signature in blue ink, appearing to read "John J. Pascale", with a large, sweeping flourish extending to the left.
