Dear Mr. Devejian:

We are in the process of preparing a list of all donors. Our Books show a balance of \$4,000.00 on your Khatchkar Godfather pledge of \$10,000.00.

Would it be possible for you to send us a check towards your above pledge so that we can close our Books and proceed with the preparation of the general list. In the meantime it will, of course, help us pay the heavy monthly mortgage payments.

Thank you for your kind consideration.

Sincerely,

Haik Kavookjian
