Dear Mr. Shakarjian:

I am writing today to ask you if you can see your way to sending us a check towards the outstanding balance of your Khatchkar Godfathers' pledge of \$5,000.00.

I would not have bother you at this time knowing how conscientious you are towards your promises, but we are very short of funds and I am approaching friends who I know will help us if they can.

Thank you for your kind consideration.

Sincerely,

Haik Kavookjian
