Gentlemen:

Our Books show that there is a small
balance of \$2,000.00 on your generous
pledge of \$10,000 as Cornerstone Godfather
to the Armenian Cathedral of St. Vartan.

As you know, we have taken out a heavy mortgage
on the building which can only be paid by
the fulfillment of generous pledges like yours.

Won't you please send us your check for the
above balance so that we can close our books
and proceed with the preparation of the general
list of all donors.

Thank you for your consideration.

Sincerely,

Haik Kavookjian
