Dear Mr. Hanes:

Mr. Richard Gregory informed that you do not wish to sponsor the Side Altar which was your original plan for \$25,000 and that we are free to give the sponsorship to someone else.

Please be informed that we are crediting you with \$5,250 paid by you so far as a donation to the Project.

I wish to take this opportunity to thank you for this and your past generous contributions to the Cathedral Project.

With kind personal regards, I remain,

Sincerely yours,

Haik Kavookjian
