330 West 42nd Street
New York, New York 10036

Dear Haik:

I am enclosing another check for \$15,000.00 toward my total pledge of \$175,000.00 to the cathedral. According to my figures, this payment should reduce my balance to \$75,000.00.

So, you see, Haik, I never forget you and never stop trying to assist you in a modest way with your huge financial task with the cathedral. As long as you are at the head of it, I am sure it will all work out fine.

Helen joins me in sending our regards to you and Mrs. Kavookjian.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ed'.
