Mr. Garo Artinian
Kree Institute of Electrolysis, Inc.
152 West 42 Street,
New York, N.Y., 10036

Dear Garo:

If it weren't for the postmark on the envelope, I would say you brought your check yourself! What a beautiful Birthday present (it is my 96th today, you know!).

Thank you for being such a nice friend and so understanding. **WITH THIS** \$2,000.- there is no balance left. Isn't it a relief?

Thank you once again and kind personal regards.

Sincerel,y,

HK:bp
Encl. Rcpt. #5520 for \$2000.00
