Dear Miss Amerikian:

Thank you for your kind wishes and your final check  
on your second generous pledge.

According to your wishes, we will deposit your check  
in 1972 and will send you your official receipt for  
\$200.00 at that time for regularity's sakes.

Once again thank you for your wonderful support of the Project.

Warmest personal wishes for Health, Happiness and Prosperity.

Sincerely,
